Laura de Stasio – Interior notes

february 19/21 2020

Spazio E_EMME, via Mameli 187 - Cagliari

curated by Anna Oggiano

The series *Appunti d'interni (Interior notes)* originates from the mixing of fabric samples, recombined as images of everyday objects that lie between domestic interiors, or offices. Such series stands out as a reflection upon memory, as well as social codes, culture and travels.

Its fundamental feature is the choice of material, which hints at suggestions, nostalgia, scents, bonds, lights and shadows, as well as sounds. Thus, the view of a damask fabric manages, yet for a moment, to carry us all in a bourgeois nineteenth-century French salon. It snatches us from the memory of our grandmother, and it seizes us, yet just for a second, in a space surrounded with light, heat and oriental scents.
